Re: Italian Culture Institute's support for the 30th Haifa International Film Festival

Dear Pnina,

Following our telephone conversations, I am glad to confirm our collaboration with the Haifa International Film Festival. The list of Italian movies which you are going to screen at the next edition of the HAIFAFF is interesting. I hope we may also have the honor of hosting some of the directors as well. The exhibit of photographs by Gideon Bachman on Pier Paolo Pasolini and the screening of the film "Pasolini" by Abel Ferrara is a very appropriate way of remembering the Italian director.

I inform you that the Institute is in the position to cover the subtitling costs for the Italian movies up to a maximum of NIS 15,000 (vat included). In order for us to pay for that service, I would need the subtitling studio to invoice the Italian Institute as well to forward a subtitled copy of each film.

+ SCREENING Fee

The Italian Institute requires its logo to appear visibly on all line of communication (programs, posters, announcements, website etc.) together with the written (readable) acknowledgement of its sponsorship.

Payment up to the above amount will be made upon receipt of invoice.

I hope you agree with the above and expect to receive a copy of this letter signed for acceptance.

Yours sincerely

Maurizio Dessalvi
