Re: Contribution of the Italian Cultural Institute for the production of ContComp, on 25-27.05.2015.

Dear Prof. Shaked,

As a follow up to previous contacts, I am happy to inform you that the Italian Cultural Institute is willing to be an official partner of the ContComp International Contemporary Composition Music Festival with the participation of Composer **Marco Momi** for the lectures: "Proxemics and exactitude Perspectives on writing for performers" part I and part II, on 25- 26.05.2015, and Composer **Pierluigi Billone** for the lecture on " Matter and material in my solo compositions for electric guitar" on 27.05.2015, at the University of Haifa – Israel.

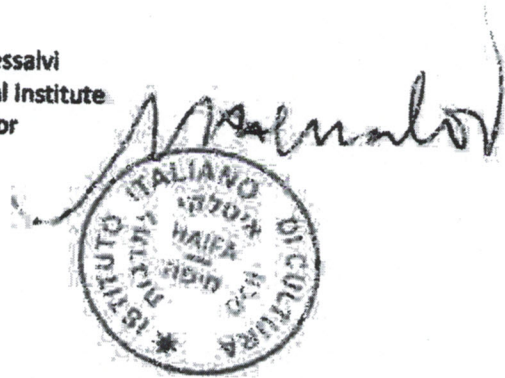

The Institute is willing to provide a contribution of **1,200.00 Euro** in order to partially cover the two Italian Composers' flight tickets, transportation and accommodation. In exchange, the Italian Institute requires its logo to appear visibly on all programs and posters and on the web site together with the written (readable) acknowledgement of its support; to add the logo to the advertisement in the news papers.

Payment will be made upon receipt of invoice from the University of Haifa together with receipts for the payments compiled.

Looking forward for your reply, I remain

Yours sincerely,

Maurizio Dessalvi
